

# ORIGAMI MULTIPURPOSE STORAGE CONTAINER

INNOVATIVE PRODUCT

## OVERVIEW

The foldable product adopts the quintessential Origami craft to create different kinds of containers, satisfying every need for storage. With high-quality waterproof material in lightweight flat packing, the product shows a magic transformation on multipurpose storage in a snap and makes it a space-saving necessity.

## FEATURES

### Wide Range & Patent

The fashion-designed collection offers a wide range of various storage containers in different sizes to choose from, catering to your every need. Moreover, the products appearance and utility are patented.

### Free Up More Space

With simple flat packing, it can be easily stored away between gaps or at tiny corners, assuring your home in well place.

### Easy to Assemble

The product needs no components and spare parts, so don't worry about the troublesome fixing issue. Just a simple unfolding of the flat plastic sheet, a portable storage organization comes at hand.
