

VERSATILE RING CASE

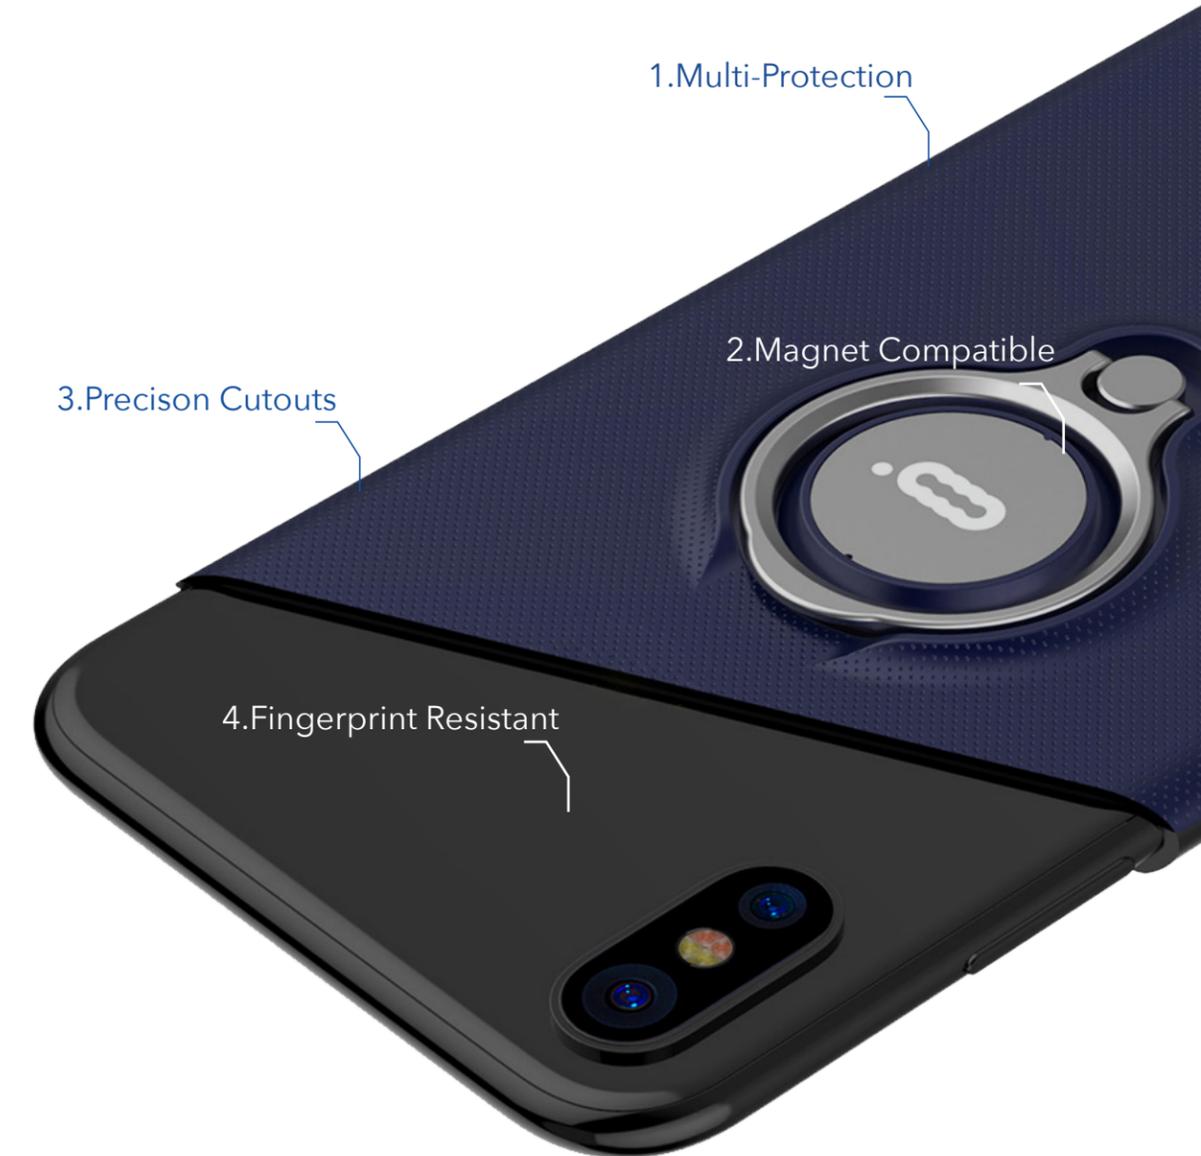

INNOVATIVE PRODUCT

OVERVIEW

The latest Versatile Ring Case for the brand new iPhone X. With humanistic design of the easy-hold ring and thickened material, you can conveniently hold your phone through your fingers, so the accident that slipping your phone on the floor would be avoided. Furthermore, the metal embedded in the middle of the ring is perfectly compatible with a magnetic car mount holder. Therefore, you can be sure your iPhone X is safe from scratches and you don't have to worry about cracked screens anymore. The integrated ring offers you a unique way to hold your iPhone or put it on any surface.

ADVANTAGE
