

# GLOBAL CUBE ADAPTER

INNOVATIVE PRODUCT

## OVERVIEW

This is a global travel charger with all new cubic design. All kinds of plug specifications are combined in this little cube, making it useful in up to 160 countries and regions across the world. It is super easy to change from one type of plug to another. The unique cubic design makes it a fashionable and perfect travel companion.

## FEATURES

### 1. GLOBAL COMPATIBILITY

The creative gadget combines all kinds of plug specifications in one, compatible with more than 160 countries and regions. Designed with 100 - 240 V voltage, it meets the voltage requirements of most countries.

### 2. NIFTY DESIGN

The glossy surface, simple and unique shape make the Globe Cube Adapter a fashionable gadget. The palm-sized charger is absolutely lightweight and portable whenever you are on a trip.

### 3. SAFETY GUARANTEED

The exquisite plug guarantees that the plugs cannot be reached at the same time, which avoids short-circuits or other dangers. With intelligent identification technology, the adapter identifies the required current and assures high-quality charging.
