

HELIO ULTRA LIGHT OUTDOOR LANTERN

INNOVATIVE PRODUCT

OVERVIEW

With only one-fifth of the size of a traditional camping lantern, Ultralight can be easily packed and even carried around on a key ring without being a big burden to you. It can be charged by any powerbank or port charger. It's fully charged after only 20 minutes and last up to 6 hours. The four different lumen modes will meet your different needs at any outdoor activity or location.

FEATURES

1. ULTRALIGHT AND HANDY

This compact gadget fits in the palm of your hand. With 45 g, it weighs no more than an egg and can easily be put into your backpack.

2. STRONG ENDURANCE

Due to the high quality of its LED, it is 30% more efficient than the normal lanterns. Moreover, it has a lifetime of 400 hours of uninterrupted light, with only 20 minutes to be fully charged and last 6 hours of each time.

3. MAGNETIC BASE AND HANGING HOOK

Its stylish design with a hanging hook and a magnet on the back allows you to put it where ever you need it. Due to the small size and the fashionable colours, it's your perfect outdoor tool.
